

25-YEAR WARRANTY

LIQUID SIDING® PROTECTIVE COATING SYSTEM

25 Year Non-Prorated Transferable Limited Warranty

The material making up the Liquid Siding® System is warranted for 25 years against chipping, flaking or peeling.

The Liquid Siding Dealer warrants that at any time up to 25 years after the date of application, the Liquid Siding Dealer will provide labor and materials, at no cost to the buyer, for any repairs under this warranty. The Liquid Siding Dealer and buyer agree that all implied warranties including, without limitations, warranties of habitability, fitness for a particular purpose and merchantability are hereby excluded and there are not warranties or representations which extend beyond those expressly set forth in this agreement.

The Liquid Siding Dealer does not warrant against damage resulting from structural settling, structural movement, structural defects, efflorescence, substrate cracking or external physical causes. The Liquid Siding Dealer does not warranty the use of Liquid Siding material on mechanical or moving parts. The Liquid Siding Dealer does not warrant against any other materials installed or applied in conjunction with the Liquid Siding System.

Normal weathering combined with the aging process will cause any colored surface to fade, darken, or acquire a surface accumulation of dirt or stains. Liquid Siding effectively resists these effects, however, any material exposed to sunlight and the extremes of weather can discolor and stain. For this reason the Liquid Siding Dealer does not warrant against these uniform changes of color.

This warranty is valid only when the Liquid Siding material is applied by the Liquid Siding Dealers Certified Coatings Specialist (CCS) and the manufacturers approved methods, and only if the application surface is prepared as directed by the manufacturer.

This warranty is transferable by the current home-owner to subsequent home-owners, provided however that the Liquid Siding Dealer receives written notice of the transfer within sixty (60) days of the date of the title transfer. Failure to do so will relieve the Liquid Siding Dealer of any further obligation under this warranty.

No other warranties are expressed or implied. The provisions of this warranty are in addition to any statutory warranty or other rights and remedies available under state and federal statutes. Payment in full for the coating application shall constitute the owners and the Liquid Siding Dealers acceptance of the terms of this warranty.
